

IRAN FORWARDER GROUP

PERESENTATION

About us

Iran forwarder group with the professional managers and with the young, experienced employee that have more than 21 years experience in international transportation affairs. Moreover, since our group Central Office is located in Mashhad (Second city of Iran) & according to the geographical position, this city has a strategic position as the distance from Mashhad to Turkmenistan (CIS countries) and Afghanistan is almost less than 200 Kilometers. So it has the best location for transport & Transit of goods to CIS & Afghanistan

Our Position

Iran forwarder group 's central office is in Mashhad and his exclusive offices in Bandar Abbas, Bandar Anzali, Bandar Turkmen, Semnan, Afghanistan (Herat, Kabul, Kandehar, Mezarsherif) and its agencies are in all Iranian Ports and Borders and in Afghanistan's and Iran's Important Cities.

Trucking Services

Iran forwarder **group** with its experience in transport services, have the possibility to offer Truck, and combined carriage to/from Asia (Internal point of Afghanistan, Iran, CIS, Caucasias Republics, Iraq, Middle East, Europe &...) and other countries in the world and also any transiting services via Iran, hence we obtained good reputation in this regard.

Our **group** offers regular services by various Standard Trucks, Tilt-Trucks, Flat Trucks & car carriers (having two floors specialized for moving cars). Also, for movement of over-sized (over-gauge) and over-weighed cargoes up to 80MT and more, we have the facilities of having special Iranian low-bed trucks with 5, 7 and 11 axles as well as Buggy up to 36 axles for more than 80 MT. And also slide Trucks specialized for moving of cargoes with length more than 12 meters to 24 meters. This **group** offers unique services in Iran Roads & in the Neighboring Countries (CIS, Afghanistan and etc.)

Our navigation for above mentioned area proposed its customers truck services for below conditions:

- Very light commodities 20' with special rate
- Over-sized shipments
- Flat truck Services
- Tilt trucks
- Reefer trucks
- 20' & 40' containers
- 20' & 40' open tops
- 20' & 40' Flat racks
- 20' & 40' reefers
- 40' He & 45' container

Rail Services

This **group** offers Rail transport services as well by covered & flat Wagons including loading / offloading and obtaining rail code by concluding contracts and having permits from Islamic Republic of Iran Rail Ways & CIS Rail Ways. In addition, we can offer competitive rates for Russia, CIS, Caucasian and Afghanistan, Turkey and Pakistan destinations and vice versa.

Shipping Line Agency

Our **group** proud to have the possibility to offer Shipping Line Agency services (by sister **group**) and already obtained necessary certificates from Iran Association of Shipping Lines. Furthermore, we have capability to accept Shipping Lines agencies in Southern Ports (Bandar Abbas, BIK and etc.) and Northern Ports (Bandar Anzali, Nowshahr Port and Amir Abad Port) of Iran.

Container Services

As Our **group** has his own empty 20' and 40' containers so it has the possibility to rent them for any destination from Southern Ports (Bandar Abbas, BIK and etc.) And Northern Ports (Bandar Anzali, Nowshahr Port and Amir Abad Port). Since we have concluded different contracts with shipping lines, we can book for you empty 20' & 40' Containers with too reasonable rates and move them to different destinations and if needed we will clear the cargo in the customs in our area of activities including Iran, CIS states, Caucasian republics, Afghanistan, Iraq, Russia, Turkey and etc.

Purchasing Containers

Iran forwarder **group** has possibility to purchase and sales empty containers in Southern and Northern ports of Iran and CIS. Also we can provide empty Containers in any ports all around the world.

Port Services

Besides container services, we offering loading / offloading, handling, warehousing services in either closed/unclosed warehouses for Break Bulk cargoes (Cotton, Metal Ingots, Scrap Metals, Grains and etc.)

LCL, FCL and D/O

Services

We are offering D/O services for LCL & FCL cargoes in all ports of Iran or in the final destinations' Customs for your esteemed clients.

Air Services

Our **group** as an agency of airlines for transporting cargoes by air in Khorasan Province (Iran) does air freight from / to Iran, Afghanistan, CIS, Russia, Caucasian to all over the world and vice versa.

Projects & Traffic Services

Iran forwarder **group** has got good experiences in moving project, traffic (over-sized), rail, trucking and combined movements. We are moving large volume sugar shipments from Turkey to Afghanistan and CIS right now and also we have transported Cotton, Silk, yarn and Metal Ingots from CIS to India, Far East and Europe. Also we are specialized in transporting Project cargoes from Int'l Bandar Abbas port to the farthest reaches in CIS and Afghanistan and from Bandar Abbas to other ports all around the world by ship and carry more than 300 tones monthly.

Multimodal Services

Moreover, we are offering transport services by rail, truck and sea to different companies from all five continents to Russia, Caucasian, CIS, Afghanistan, Iraq, Turkey, Pakistan and Wise Versa.

This **group** also has his own offices in Afghanistan (Islamqala, Herat, Kandehar, Kabul Mezarsherif and ...) and agencies in Pakistan, all CIS countries and Caucasian states, Russia and etc. which its details have described in our "worldwide agents".

Also we offer Multimodal services from Bandar Abbas to Russia via Bandar Anzali Port in North of Iran which this service is an economical route according to its Transit Time and its freight.
